PART ONE

Article 1 Basic provisions

Rector of Tomas Bata University in Zlín (hereinafter referred to as “TBU Rector”) has issued this internal regulation with regard to the outbreak of the COVID-19 disease and following the normative acts issued by the relevant public sector administration authorities of the Czech Republic.

PART TWO TEMPORARY RESTRICTIONS AT TBU

Article 2 Extraordinary measures

- (1) The normative acts currently in force and issued by the relevant public sector administration authorities of the Czech Republic are listed on the website www.utb.cz/koronavirus.
- (2) In compliance with the Resolution No. 471 adopted by the Government of the CR on 17 May 2021 and concerning the Adoption of Extraordinary Measures issued by the Ministry of Health of the Czech Republic in Connection with the SARS CoV-2 Epidemic and with its Appendices, the operation at Tomas Bata University in Zlín (hereinafter referred to as “TBU”) shall be restricted as follows , and that with effect from 00:00 on 24 May 2021:
 - a) participation in Lifelong Learning courses is allowed on the conditions specified in Article 11 of this Decree,
 - b) in the educational process, with the exemption of students attending clinical and practical classes and examinations taken by students, provided that individual persons

maintain a distance of no less than 1,5 metres between one another.

Furthermore, sports activities as part of education are prohibited, with the exemption of degree programmes involving sports activities as a key part of a framework or accredited educational or degree programme, sports activities taking place outdoors, provided that other restrictions enable physical presence in classes, and sports activities taking place indoors, provided that a social distancing area of no less than 15 m² is available in an indoor sporting area, and no more than 12 persons in a group and no more than a total of 30 persons in an indoor sporting area; physical presence of students and other participants in other indoor areas, such as locker rooms, showers, etc. shall be prohibited.

- (3) Physical presence of persons not specified in the preceding Paragraph in TBU premises is allowed only upon fulfilment of the following conditions:
- The person is free of acute health problems indicating a viral infectious disease (e.g. fever, cough, shortness of breath, sudden loss of taste and sense of smell, etc.) and in the event that he/she has undergone a test for COVID-19, the test has proved negative.
 - The person wears respiratory protective equipment (covering nose and mouth), namely a respirator or similar protective equipment (without an exhalation valve) complying minimally with all technical conditions and requirements (for the product), including the filtration efficiency of at least 94 % in accordance with the relevant standards (e.g. FFP2/KN 95), a medical face mask or similar equipment complying minimally with all technical conditions and requirements (for the product) of the Czech Technical Standard EN 14683+AC, which prevent the transmission of droplets (in compliance with the Extraordinary Measure Reg. No. MZDR 15757/2020-50/MIN/KAN issued by the Ministry of Health of the Czech Republic on 4 May 2021),
 - At the entrance to a TBU building, the person sanitizes his/her hands.
 - The person is not in quarantine at the given time.

Moreover, TBU employees, TBU external employees and TBU students are obliged to meet other requirements set for their physical presence at TBU, as described below in this Decree.

- (4) Entrance examination and examination may only be held provided that the individual participating persons maintain a distance of no less than 1.5 metres between one another. In a room with fixed seating rows, only every second row and every second seat may be occupied. When using mobile seating, it is necessary that the above-mentioned sufficient social distancing is maintained.
- (5) A person who has submitted an application for study at a higher education institution (hereinafter referred to as the “applicant”), will be allowed by the higher education institution to personally attend the entrance examination, unless the entrance examination is held using remote communication tools, only provided that:
- a) the person shows no symptoms of the COVID-19 disease, and
 - b) the person submits a confirmation issued by a provider of medical services evidencing the fact that he/she underwent a POC test for the presence of SARS-CoV-2 virus antigen or an RT-PCR test for SARS-CoV-2, during the last 7 days prior to the date of the entrance examination, and the result of such a test was negative, or
 - c) the person provides a proof of evidence issued by a higher education institution and evidencing a negative result of an antigen screening test for the detection of

SARS-CoV-2 virus antigen or of an RT-PCR screening test for the detection of the presence of SARS-CoV-2 virus carried out in the last 7 days prior to the entrance examination, unless stated otherwise in Paragraph 5.

In the event that the person is entitled to the presence of a supporting person/other person in the exam room, this person must meet the requirements specified in this Paragraph or specified in Paragraph 6, otherwise the person will not be allowed to be present in the exam room by the higher education institution.

- (6) The requirement specified under Paragraph 5 Letter b) or c) is considered as fulfilled if the applicant provides evidence of the fact that
- a) he/she has already had the COVID-19 disease which has been confirmed by a laboratory and his/her isolation period has expired in accordance with the extraordinary measure issued by the Ministry of Health and currently in force, and no more than 180 days have passed since the first positive POC test for the presence of SARS-CoV-2 virus antigen or since the RT-PCR test for the presence of SARS-CoV-2 virus, or
 - b) he/she has received a certificate on the vaccination against COVID-19, provided that
 - i) no less than 22 days, but no more than 90 days have elapsed since the first dose of vaccine was administered in the case of a two-dose regimen according to the Summary of Medicinal Product Characteristics (hereinafter referred to as “SPC”), if the second dose has not been administered, or
 - ii) no less than 22 days, but no more than 9 months have elapsed since the first dose of vaccine was administered in the case of a two-dose regimen according to the SPC, if the second dose has been administered, or
 - iii) no less than 14 days, but no more than 9 months have elapsed since the dose of the vaccine was administered in the case of a single-dose regimen according to the SPC.
- (7) All classes shall be, except for the classes specified in Paragraph 2, held in the form of distance learning – online classes using Microsoft Teams, in compliance with Rector’s Decree No. RR/26/2020.

Article 3

Obligations of TBU and its component parts

- (1) Rector/Bursar/Deans of Faculties/Directors of component parts are obliged to designate a contact person in charge of communicating (hereinafter referred to as “contact person”) with students and staff at the relevant component part about practical instructions and current measures imposed by TBU and report the name of the person to the Head of TBU Crisis Management Team, Vice-Rector for Internal and External Relations.
- (2) In order to ensure a safe and healthy working and learning environment for staff and for students, an obligation to register persons attending timetable events, examinations, entrance examinations and individual tutorials, which are scheduled to be attended in person has been imposed, and that in the form of an attendance list, whose template forms Appendix No. 1 to this Decree. Attendance lists shall be filed in the Offices of Assistants to relevant constituent parts (departments/cabinets/studios) that provide the classes.

PART THREE MEASURES ADOPTED AT TBU

Article 4 TBU employees and TBU external employees

- (1) The obligation to wear respiratory protective equipment does not apply to the period during which work is performed at the workplace or the period during which a similar type of activity is performed, when this activity is performed at one place without the presence of another person.
- (2) A TBU employee or a TBU external employee who performs his/her work at the workplace at TBU is obliged to repeatedly undergo antigen testing in accordance with the Extraordinary Measure No. 249 adopted by the Government of the Czech Republic on 5 March 2021.
