

**ANNOUNCEMENT OF STUDENT GRANT COMPETITION -
INTERFACULTY RESEARCH PROJECTS 2022**

The Rector of TBU in Zlín hereby announces the student grant competition to be held in 2022.

The student grant competition is aimed at supporting projects implemented by PhD and Master's students and funded from resources intended for specific university research and implemented by representatives of at least two component parts of TBU in Zlín.

The competition adheres to rules included in the Rector's Directive No. SR/20/2020 posted on the Official Board of TBU in Zlín.

Interfaculty research projects (IR) have an implementation period of 2 or 3 years and are conditional on an annual evaluation followed by a decision as to the relevant project's funding in the following implementation year.

The aim of each project shall obligatorily be at least one of the following outputs:

a) a J_{imp} result published in a research journal (in accordance with the definition specified in the Rector's Directive No. SR/7/2021), ranked in the first or second quartile according to the AIS (Article Influence Score). In case of projects implemented outside the sphere of chemistry, physics, biology and medical sciences, a result of the J_{sc} type published in a journal ranked in the first or second quartile according to the SJR (Scimago Journal & Country Rank) is also acceptable,

or

b) a result of artistic activities classified as AKX to BLY according to the RAO (Register of Artistic Outputs) methodology.

Competition announcement date:

30 September 2021

Application submission deadline:

12noon on 14 November 2021

Start of project implementation:

1 January 2022

Projects shall be submitted through the IGA application in the OBD system (<http://obd.utb.cz>).

Prof. Ing. Vladimír Sedlařík, Ph.D. m. p.
