We are changing the login method

What is Pluxee Connect?

Our new data management system for users, clients, and partners. This new login method streamlines the verification process and ensures secure access to our applications.

Why use Pluxee Connect?

It improves the security of your data and funds in your benefit accounts. Pluxee Connect is the new standard for logging in to our services securely.

What benefits does it bring?

Pluxee Connect adds Apple Pay to the existing Pluxee meal voucher card payment options and brings a new payment solution for Android phones.
